

YOUR 401(k) TEAM

401(k)s have many moving parts. They also have multiple parties involved. The administrator, the advisor, and the record keeper are the three roles that help your 401(k) run smoothly.

Ivory Hill will act as the advisor of your plan and be the primary contact for all plan related questions so you only have to speak with one party. As an independent fee-only fiduciary 401(k) firm, we work with you to find the record-keeper and administrator that fits best with your company.

IVORY HILL
